LIBRARY REPORT

"One best book is equal to hundred good friends." - APJ ABDUL KALAM

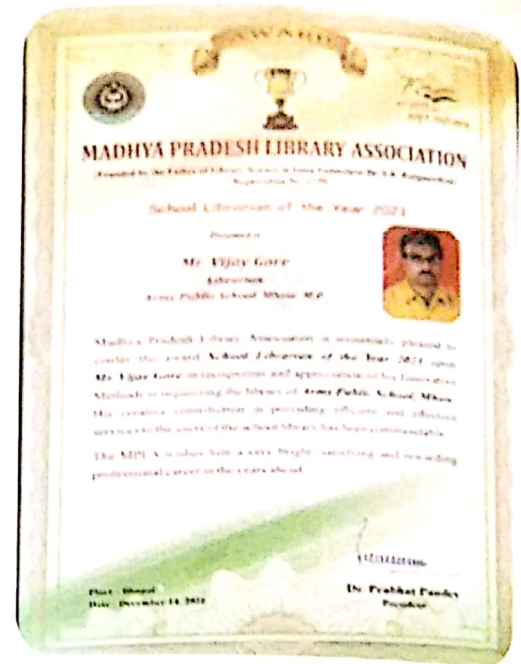

Library is a fundamental component of the school. As we all live in a high-tech world, our library also has extended its reach through digital access. The library has been designed and managed to take into consideration all its users. To the students, it is a personal study space, an interactive learning area, strong information resource. For the faculty, the library is one of the most important resources in the campus. Libraries are essential in the process of giving scholars and mentors access to knowledge. In digital times they are needed more than ever before.

APS Mhow is proud of its librarian Mr Vijay Gore who was awarded on 14 Dec 2021 at Bhopal by Madhya Pradesh Library Association (MPLA) as the "School Librarian of the Year 2021".

He also attended a National Seminar on Open Science Communication and Role of the Libraries (OSCRL 2021). He received a Certificate of Appreciation for his significant services to the Library and Information Profession by the Madras Library Association, on the occasion of 129th Birth Anniversary Celebration of Padmashree Dr. S. R. Ranganathan.

Our Work –

1. NDLI Book Club: APS Mhow

The vision of NDLI is to build a National Knowledge Asset that would function as a key driving force for education, research, innovation, and knowledge. Started by the Ministry of Education, Govt. of India, as a part of the Digital India initiative in 2015, NDLI has come a long way. It is currently the largest, single-window, free digital learning repository in India and Asia and aims to help every learner in the school ecosystem to become a creator, disseminator and progenitor of knowledge. NDLI Club School will actively engage with school leaders, teachers and students through its 5C's model of: Create, Contribute, Conduct, and Collaborate & Compete.

2. Library Blog:

Army Public School Library has taken another step and upgraded itself by creating the APSM Library Blog. Library@Army Public School Mhow is a knowledge resource center.

Our blog post URL site is <https://apslibraryhub.blogspot.com/>
